NOTICE

THE STATESBORO NEWS.

(INCORPORATED)

Statesboro, Ga. Dec. 15, 1903.

Published Tuesdays and Fridays by THE STATESBORO NEWS PUBLISHING COMPANY.

Entered at Statesboro, Ga. Post Office as second class mail matter.

The date of the meeting of the National Republican Convention has been fixed on June 21, and the place of meeting is to be Chicago. The question now is: will it be Roosevelt or Hanna?

Some of the Cleveland worshippers are still insisting that he is "the man of the hour." But the fact still states them in the face. No man has ever been elected to the Presidency three times and Cleveland is not going to be any exception to the rule.

No man has ever been elected President after succeeding to that place from that of Vice Presidency. Will Roosevelt break the record, or will Mark Hanna break into Roosevelt's little play house.

Piano Contest Postponed

Owing to the fact that we have spent so much time in taking the county exhibit to two fairs this fall we have not had sufficient time to advertise the Piano Contest. Coming home we found our columns crowded with advertisements of the local merchants and our time completely absorbed in straightening out our business which went largely to bad during the time neglected we have had to let the piano contest go by default as far as advertising it and pushing it is concerned. We intended to give it away on Dec. 31, but our observation is that there is only a very few votes out in the contest, while more than 500 have paid their subscription. There is not one receipt out of ten that has a ballot on it. Not one out of ten seems to care to vote. A few people have taken a little interest in it but the number of tickets issued on account of the piano is so small that we feel that in justice to ourselves and all concerned we will postpone the date for the contest. Just what time and in what manner we will have to determine a little later.

In conclusion we will say if anybody has paid a subscription on account of this contest and is not satisfied at the turn the contest has taken and don't want the paper if he will call and make his troubles known we will refund his money.

Ariel Ladies' Quartet.

On Friday night, December 18, at the auditorium, the fourth number of this season's Lyceum course, the Ariel Ladies' Quartet, of Boston, will be presented.

The four ladies comprising the Ariel are all artists, and unsurpassed on their respective roles. The program is unrivaled both in variety and in excellence, and during the past two weeks they have been enthusiastically received everywhere they have gone and the newspapers along their route have been most flattering in their comments.

Their program will be new to Statesboro, and is sure to draw a good crowd—Among its many features of entertainment will be a Japanese song and drill in fancy costume, two or more dramatic and vocal solos, a number of old plantation melodies and other songs sung in quartet. Altogether, the program promises to be one of the best we have ever had in Statesboro.

30 Minutes Superior Court.

Probably the shortest term of Superior court held here in a long time was that on yesterday morning. Judge B. D. Evans and Solicitor General Rawlings were on hand and the court was formally opened by Sheriff Kendrick and remained in session for 30 minutes, after which it was adjourned to the second Monday in January, 1904. This term was set for the adjourned session of the October term and the time having been postponed it was necessary to open and adjourn the court again in order to make the proceedings in January legal.

There was a good sized crowd in town. Many people came who knew that court had been postponed, but it was that paying time and cotton selling time, and they had their pegs set to come to Statesboro that day, and they just came, court or no court. There perhaps were a very few who had not seen the notice in the paper about the postponement, but we rather believe they were scattering.

One Republican Shocked.

At the banquet given by Chairman Mark Hanna to the members of the Republican National Convention in Washington on Saturday night sat Judson Lyons, a Georgia Nigger.

Lyons is the member of the committee from Georgia and Chairman. Holmes felt that the "Hon. Mr. Lyons" should be there. Some of the so-called "Little Whites" but their tongues and did the muttering and others took to the woods, but there was one little fellow that balked. He was from N. C. Your Uncle Marcus seems to be bidding for the vote of the southern states in the National Convention. For once he out Roosevelt Roosevelt.

A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take both adults and children like it. Buy it and you will get the best. It always cures. For sale by W. H. Ellis.

HELP IS WANTED

Washington, Dec. 11.—Congress is asked to make an appropriation for the establishment of experiment stations in Georgia, at which the Agricultural Department experts will seek to discover a way to prevent disease anthracnose, which has done so much damage to sea island cotton.

For some time Congressman Brantley has been in consultation with Secretary Wilson and the experts of the Department of Agriculture relative to the necessity for relief of the growers of sea island cotton in Georgia, South Carolina and Florida. It seems that this kind of disease, to wit, rust, rot, knot and anthracnose. Methods have been discovered to offset or cure the first two, in some degree at least, but the last named has done a great deal of devastation. It attacks the boll before it is matured, drying it up and making the staple yellow stained and of no length. In some sections the crop has been almost entirely destroyed.

Mr. Brantley had conferences with the Secretary and with Dr. Galloway, chief of the Bureau of Plant Industry, and Assistant Pathologist Orton was sent to Georgia to investigate. The necessity for some remedy is so evident that it is designed to establish experiment farms near Blackshear experts will seek to produce a strain which will resist the disease.

Mr. Brantley will use his best efforts to secure from Congress the necessary appropriations for the experiments. He believes he has assurance which guarantees his success. The southern congressmen will co-operate with him.

They Are Passing Away

The death of Mr. James Newsome on Sunday morning, notice of which appeared elsewhere in this issue, removes another one of that class of citizens that made up the citizenry of old Bulloch some 20 years ago.

To one who was familiar with the county at that time it looks like the old land marks are passing from the stage of life in rapid succession.

A few years ago in that section, just across Mill Creek, lived such men as Frank Olliff, Calvin Deal, Joe Newsome, Ebb Barnes, J. D. Ford, James Newsome, Green Barnes and others, all living almost in halting distance of each other, now all have crossed into the great beyond. The old neighborhood has undergone a complete change. The faces which met us in the years that have gone are seen no more. What is true of the men might be said of the women with only a few exceptions, and what can be said of that particular community might be said of many others in this county.

Truly we are passing away to make room for the generation that is to follow us.

Revolution Imminent.

A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upsets. Electric Bitters will quickly diminish the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bowels, stimulate the liver, and clarify the blood. Run their tongues and did the muttering and others took to the woods, but there was one little fellow that balked. He was from N. C. Your Uncle Marcus seems to be bidding for the vote of the southern states in the National Convention. For once he out Roosevelt Roosevelt.

Ohio Senator Laying Plans For His Fight Against Roosevelt.

Washington, Dec. 12.—

The ground swell for Senator Hanna has become so real and formidable that it is said the president is alarmed. While Senator Hanna smiles at the victory he has gained in the party in the South under the president, the latter called around him today many big game people whom he dined in private that he might make himself pretty clear to the politicians who are asking embarrassing questions.

Among the guests were Judson Lyons, the negro confederate from Georgia, and registrar of the treasury.

Fight Will Be Bitter.

Those who will persist in closing against the continued recommendation of Dr. King's New Discovery for consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Deal of Ball, Miss has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles cured her." Guaranteed by W. H. Ellis Drug Store. Price 50c and \$1. Trial bottle free.

Kodol Dyspepsia Cure

How to Prevent Croup. It will be good news to the mothers of small children to learn that croup can be prevented. The first sign of croup is hoarseness. A day or two before the attack the child becomes hoarse. This is soon followed by a peculiar rough cough. Give Chamberlain's Cough Remedy freely as soon as the child becomes hoarse, or even after the rough cough appears, and it will dispel all symptoms of croup. In this dispel all danger and anxiety may be avoided. This remedy is used by many thousands of mothers and has never been known to fail. It is, in fact, the only remedy that can always depend upon and that is pleasant and safe to take. For sale by W. H. Ellis.

IN MEMORIAM.

Glenn Jeriugan was born in Washington County Georgia May 10th 1882, and died in Statesboro Georgia September 18th 1903, at the age of 21 years, 4 months and 2 days. He united with French Baptist Church by a profession of faith in Christ July 1898, and was baptized by his pastor Rev. T. J. Cobb.

Since uniting with the church he lived a consecrated christian life, bringing his young life in submission to Christ.

Every one loved him, for he was so kind and gentle to all with whom he came in contact. He was faithful in all duties of life, especially so to his church his seat was never vacant unless he had a valid excuse. On August 20th he was taken sick with typhoid fever took his bed, and was never up any more. Kind and attentive physicians, loving parents, sisters, brother and neighbors did all they could for him, but it was the Lords will for him to go to his heavenly home and on the above mentioned date September 18th about 1 o'clock he fell asleep. From which none ever wake to weep.

A calm and undisturbed repose, unbroken by the last of foes. Glenn was so patient and kind during all his illness, he never murmured nor complained.

While he was young and in the bloom of young manhood and a bright future before him yet he resigned to God's will. He was buried on the next day at 11 o'clock. Loved ones and a large crowd of sorrowing friends followed his remains to its last resting place. His funeral was preached by Rev. J. S. McLenore pastor of Statesboro church in the absence of his pastor Rev. T. J. Cobb who was sick.

Thus a noble young man, a dutiful son, a kind brother was laid to rest to await the resurrection morn. May God in his tender mercy bless the bereaved ones, and may his grace be sufficient for them in this their sore bereavement.

Beautiful toiler, thy work all done, Beautiful soul into glory gone, Beautiful life with its crown won, God give the rest, Rest from all sorrows, and watching and fears, Rest from all possible aching and tears, Rest through God's endless, wonderful, full years, At home with the Hosts, R. A. Chesnut, Joseph Woodcock, N. V. Hursey.

Bryan County to Grow Larger.

We are interested that steps are being taken to increase the area of Bryan County, a part of Bulloch known as the "Lost Land." Bulloch is a very large county and this is near Pembroke and practically belongs to our county. The distance to the county seat of Bulloch is much greater than to that of Bryan, and with a possible change during the next few years would this district, even nearer to our county seat. As it is, the citizens of the Bay district, while they are near and belong to our county and transact the greater part of their business or nearly all at Pembroke, are forced to go a distance of 20 or 30 miles to transact legal business. A partial canvass of the territory gives an idea that the voters will go almost solid for the change. Under the laws no new counties can be created, but necessary changes to county lines may be made. We heartily endorse this proposed move and hope and really expect to see it effective within a very short while. Bryan County Enterprise.

We regret to say that the condition of Mr. H. H. Moore was not so favorable when last heard from. He is now complaining of considerable pain.

The friends of Col. H. B. Strango are glad to see him out again. Col. Strango has been slightly indisposed for the past three weeks.

We return our heart-felt thanks to our neighbors and friends for their kindness during the sickness of our dear little child, who died Dec. 9, 1903. Mr. and Mrs. J. F. Nessmith.

Mr. T. J. Grice, of the firm of Williams & Grice in Savannah, was in the city yesterday. Mr. Grice was presenting his friends with one of the prettiest calendars for 1904 that we have seen.

Mr. and Mrs. J. L. Jones, of Von, was in town to-day. Mr. Jones brought in a bale of sea island cotton and did his trading with our merchants. He says Statesboro is the best cotton market in the state. He has sold his cotton here for the past several years and expects to continue to do so. He is a regular subscriber to The Statesboro News so as to keep in touch with this section.

Mr. Jas. Newsome Dead. After an illness of several weeks with heart trouble, Mr. James Newsome, an aged and highly respected citizen died at his home about 6 miles North-east of this place.

Mr. Newsome was thought to be some better on Sunday morning, he walked out to his horse and suffered a stroke of heart failure while there and was carried to his bed where he expired in a few minutes. The deceased was well known to the people of his county and stood well among his neighbors. He leaves a widow and several sons and daughters, all of whom are grown and married.

The funeral took place at the Statesboro cemetery yesterday afternoon, where the remains were interred.

Indigestion Causes Catarrh of the Stomach. For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles. Kodol Digests What You Eat. Make the Stomach Sweet. Bottles only. Regular size, \$1.00, holding 2 1/2 times the trial size, which sells for 50 cents. Prepared by E. C. DOWITT & CO., Chicago, Ill.
